NOTE FOR: DDO

FROM: DCI

John,

Please pass along to all of those who were involved in the planning and execution of [redacted] my congratulations and admiration for a job well done. There are few better recent examples of the DDO responding to a difficult challenge with creativity, meticulous planning, and, for those directly involved, considerable courage. While, as it is often said, we cannot publicize our successes, you and your staff can take pride in an important assignment well executed. I certainly am proud of what you have done and wish to commend those involved.
